As a Brand

Your Love Rara community interest company: We enjoyed a mental health day with volunteers out rock-climbing. It was a great opportunity to bond and get to know each other and create great team bonding skills. Volunteer, Craig enjoyed a yoga session for his mental health day and mentor, Megan enjoyed getting her nails done for the first time.

Some of our volunteers learned some great new skills when helping out in the swimming pool with children with additional needs. This allows an inclusive environment as we can offer 1 to 1 support for the children.

We are very proud to say we have done lot's of training this month - with many of the volunteers learned face painting, glitter tattoos and learning how to complete our CPD folders.

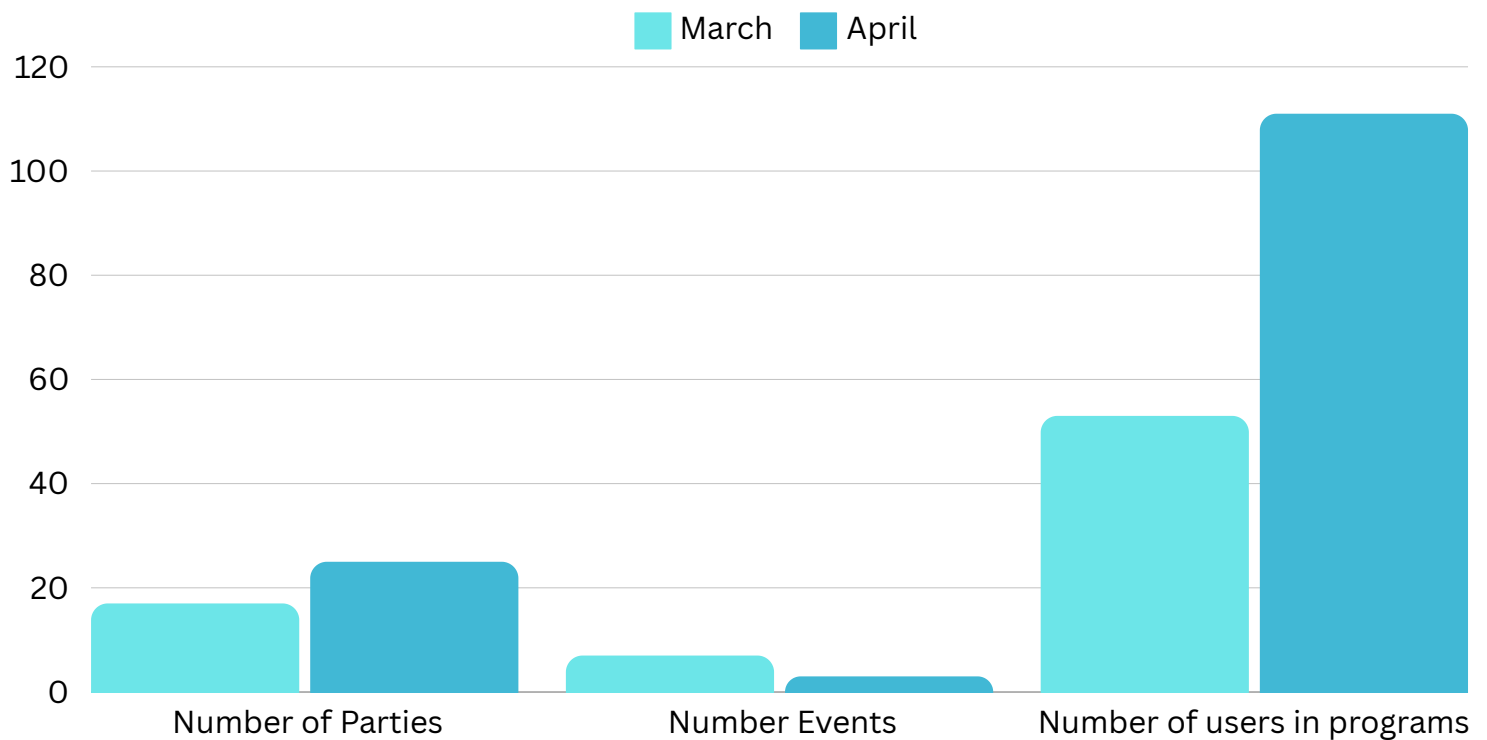

We have had so many fantastic donations for our giving tree! It is a fantastic opportunity to support low-income households to feel more included.

Love Rara Kidz Mermaid school is BACK! We have teamed up with Warehouse Aberdeen

As a Brand

As a Brand thank you for all your continued support.
We couldn't achieve what we do without you!!
We cant wait to see you in the future
